COLTS DROP SECOND TO LEAGUE LEADERS

Nerbout's Costly Error and a Base on Balls Responsible for Defeat.

CHANCES TO WIN

Several Times a Safe Hit Might Have Turned the Tide to Victory.

As there are no postponed or field games to be played off between Richmond and Romoke, there win be but one game this afternoon. A brass band will be in the grand-stand at 3:30 o'clock, and those who erand at ago o'clock, and those who come early will be treated to a concert. Reynolds will pitch for the Tigers, and Revelle will be in for the Colfs. If Richmond wins and Danville loacs the Colfs will be tied for the colors will be tied.

Faultless playing behind Andrada. ipled with misplays in the local in-ld and an untimely base on balls.

to third on Sandherr's grounder to Painter.

Sieber was safe on a free pass, and Wallace was put out when Doyle threw to Ryan, after the catcher attempted to catch the doctor at second. Andrada allowed a single and two bases on balls in the fourth, but Wallace and Sieber were caught going from first to second, and there was no serious Canger of a run getting across.

How Second Run Scored,
Roanoke's second run came in the seventh. Pressly walked, and Robertson advanced him on a sacrifice hit. Andrada's single to centre field scored the tally. The only very serious dispute of the game, aside from which both umpires gave entire satisfaction.

NORFOLK, VA., August 12.—Portsmouth and Danville broke even to-day
in a double-header, the visitors taking
the first game by the score of 4 to 1,
and the second game going to Portsmouth by the score of 5 to 3.
The first game, barring the opening
inning, when Clunn showed up a little
stiff and wild, was a pitchers' battle,
with Mayberry working for the Bugs.
In the second game Vall easily outpitched Loos for a clean victory.

Suffering Simply Indescribable — Had to Scratch Till Blood Ran — Health Undermined from Lack of Sleep - Gave Up Hope but

CUTICURA FREED HIM FROM SKIN-TORMENT

in the presence of company, I would have to scratch it until I had the blood running down into my shoe. I simply cannot describe my suffering during those seven years. The pain, mortification, loss of sleep, both to myself and wife is simply indescribable on paper and one has to experience it to know what it is.

"I tried all kinds of doctors and remedies but I might as well have thrown my money down a sewer. They would dry it up for a little while and fill me with hope only to break out again just as bad if not worse. I had given up hope of ever being cured when I was induced by my wife to give the Cuticura Remedies a trial. After taking the Cuticura Remedies for a little while I began to see a change and after taking a dozen bottles of Cuticura Resolvent, in conjunction with the Cuticura Soap and Cuticura Ointment, the trouble had entirely disappeared and my leg was as fine as the day I was born. Now after a lapse of six months with no signs of a recurrence I feel perfectly safe in extending to you my heartfelt thanks for the good the Cuticura Remedies have done for me. I shall always recommend them to my friends. W. H. White, Mgr. Label Dept., Typo. Union No. 2, 312 E. Cabot St., Philadelphia, Pa., Feb. 4 and Apr. 13, 1909."
